Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of International Game Fish Association, Inc. as of September 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

INTERNATIONAL GAME FISH ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

Note 1 - Summary of Significant Accounting Policies:

Organization and Nature of Activities

The International Game Fish Association, Inc. was organized in 1939 in New York. The Association was incorporated in the State of Florida in 1972 as a Florida non-profit corporation. The Association's primary purpose is to maintain a library available to the public on game fish, angling and related subjects; compile and publish angling statistics and catch results; and encourage conservation measures that will ensure the perpetuation of game fish. In December 1998, the Association moved into the International Game Fish Association, Inc.'s World Fishing Center located in Dania Beach, Florida.

Basis of Accounting

The Association records its income and expenditures under the accrual basis of accounting. Net assets and revenues, expenses, gains, and losses are classified based on the existence (if any) of donor-imposed restrictions. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

Unrestricted net assets: Net assets that are not subject to any restrictions or stipulations.

Temporarily restricted net assets: Net assets subject to restrictions that may or will be met, either by actions of the Association, and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets: Net assets subject to donor-imposed stipulations says that they be maintained permanently by the Association. Generally, the donors of these assets permit the Association to use all or part of the income earned on any related investments for general or specific purposes.

Note 1 - Summary of Significant Accounting Policies (Continued):

Income Taxes

The Association is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code.

On October 1, 2012, the Association adopted newly issued accounting rules that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Association only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, adoption of the new rules did not have a material effect on the accompanying financial statements. Consequently, no liability is recognized in the accompanying statement of financial position for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of September 30, 2015. The federal income tax returns of the Association for 2014, 2013 and 2012 are subject to examination by the taxing authority, generally for three years after the due date.

Basis of Presentation

The Association follows accounting standards set by the Financial Accounting Standards Board (FASB). In June 2009, the FASB issued ASC 105, Generally Accepted Accounting Principles, which establishes the FASB Accounting Standards Codification (ASC), as the sole source of authoritative U.S. generally accepted accounting principles (GAAP). ASC 105 is effective for periods ending on or after September 1, 2009.

The financial statement presentation follows the recommendations of ASC 958-205. Under ASC 958-205, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Public Support and Revenue

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Donor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Restrictions on gifts for the purchase of property and equipment expire when the purchased asset is placed in service.

Note 1 - Summary of Significant Accounting Policies (Continued):

Revenue Recognition

The Association records its revenue from dues and donations as received. Revenue from advertising is recognized when the Association's World Record Book or bi-monthly newsletters are published. Fund-raising events are recorded upon completion of the event.

Donated Services

The Association received substantial donated services that do not meet the criteria set forth in FASB No. 116 and therefore have not been audited or reflected in the financial statements. FASB No. 116 requires that for in-kind services to be recorded, the Association would typically need to purchase the services had they not been donated. It also requires that persons providing these services have special technical and/or educational skills.

Cash and Cash Equivalents

The Association considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Marketable Securities

The Association classifies its debt and marketable equity securities into held-to-maturity, trading, or available-for-sale categories. Debt securities are classified as held-to-maturity when the Association has the positive intent and ability to hold the securities to maturity. Debt securities for which the Association does not have the intent or ability to hold to maturity are classified as available-for-sale. Held-to-maturity securities are recorded as either short-term or long-term on the balance sheet based on the contractual maturity date and are stated at amortized cost. Marketable securities that are bought principally for the purpose of selling in the near future are classified as trading securities and are reported at fair value, which the unrealized gains and losses recognized in earnings. Marketable securities not classified as trading securities are classified as available-for-sale securities and are carried at fair market value, with the unrealized gains and losses, net of tax, included in the determination of comprehensive income and reported in shareholders' equity.

The Association considers all of its debt and marketable equity securities to be available-for-sale securities.

INTERNATIONAL GAME FISH ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

Note 1 - Summary of Significant Accounting Policies (Continued):

Financial Accounting Standards Board Statement (FASB) No. 157, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB Statement No. 157 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Inventory

Inventory is stated at the lower of cost or market. Cost is determined by the first-in, first-out method, and market represents the lower of replacement cost or estimated net realized value.

Property and Equipment

Property and equipment purchased or received as gifts which are valued in excess of \$1,000 are capitalized. Property and equipment is valued at cost when purchased or estimated fair value of at the date of donation. Property and equipment are being depreciated over estimated useful lives of five to forty years using a straight-line method.

Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported in increases in unrestricted net assets unless the donor has restricted the donated property to a specific purpose. Property donated with the explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

Note 1 - Summary of Significant Accounting Policies (Continued):

Program Revenue and Expenses

All activities that were used for the purpose of furthering the Association's mission were classified for reporting purposes as program revenues and expenses. These activities are run for the purposes of generating cash flow for the operations of the Association.

Functional Allocation of Expenses

Expenses are allocated to the various functional categories, based on the purpose achieved per expenditure. Payroll expenses of employees whose time may benefit more than one activity are allocated based on the time devoted to each function.

Change in Presentation

Certain amounts from 2014 have been reclassified for the 2015 financial statement presentation. Such reclassifications had no effect on the change in net assets as previously reported.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising Costs

The Association expenses advertising costs as they are incurred. Advertising costs for the years ended September 30, 2015 and 2014 amounted to \$161,743 and \$340,532, respectively.

Subsequent Events

Management has evaluated subsequent events through the date the financial statements were available to be issued. There were no material reportable subsequent events.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Sales Tax Revenue/Advertising Expense:

The State of Florida Statute #288.1169 entitles the Association to receive up to \$1,000,000 per year provided that the sales tax revenues, which Florida receives from the Association and Bass Pro Trademarks, L.P. is equal to or greater than \$1,000,000. The Association, as a part of its obligation under the State Statute, is required to provide annual national and international advertising and media promotion in the amount of \$500,000.

This amount is paid monthly to the Association at the rate of \$83,333. Payments began in March 2000 with a one-year retroactive payment received in July 2000. At the end of this initial 10-year term (approximately March 2010) the Association must recertify with the Department of Commerce of the State of Florida. Upon recertification, the Association may receive these payments for an additional 48 months (until approximately February 2014), provided they continue to meet the terms of the Statute. The International Game Fish Association was recertified by the State during the fiscal year ending September 30, 2011. The State funds received can be used to pay any operating expenses of the Association. The Association stopped receiving these funds during the fiscal year ended September 30, 2014.

Note 3 – Investments:

The following are the major categories of assets and liabilities measured at fair value on a recurring basis during the years ended September 30, 2015 and 2014, respectively, using quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3):

Note 11 – Rental Income:

In April, 2015, the Association entered into a lease with Bass Pro Shops for the main floor of the building. The lease calls for annual rental income of \$300,000 for twenty years with renewal options at the end of the twenty year term.

Future minimum rental income for the next five years ending September 30, are as follows:

2016	\$ 300,000

	<u>\$ 1,500,000</u>

Note 12 – Concentrations of Credit Risk:

The Association's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and accounts receivable. The Association maintains its cash in bank demand deposit and savings accounts that at times may exceed federally insured limits. The balances are insured up to \$250,000. The Association has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk with respect to cash. The Association also routinely assesses the financial strength of its grantors and, as a consequence, believes that its grantors accounts receivable risk exposure is limited because a substantial portion of the receivables are from governmental sources or private foundations.

Note 13 – Discontinued Operations:

As part of the lease agreement with Bass Pro Shops, (See Note 11), the museum ceased operations in April, 2015. The museum was taken over by Bass Pro Shops and moved out of state to the Bass Pro Shop museum. The Association no longer receives any revenue associated with the museum. Management has determined the net loss from the museum to be immaterial to the financial statements as a whole for the fiscal years ending September 30, 2015 and 2014.
